PRESS RELEASE

February 2, 2015

T-BONE Sweep set for Wednesday in District A

Inspectors for the Department of Property Standards will conduct a sweep in the Martin Luther King Area Wednesday, Feb. 4, in Council District A. This is a continuation of efforts to remove blight from the City of Shreveport, as we strive to work with other departments to make our neighborhoods safe and attractive. Representatives from the Police Department, Public Works, Animal Control, Water & Sewage and MPC-Zoning will assist in the sweep.

Trash bins will be available today for residents to discard tires, bulky trash items and debris. The trash bins were located at 1627 David Raines beginning at noon today. The dumpsters will be on site until 3 p.m. Wednesday.

The trash bins are for residential use only. If citizens are unable to bring tires to the site, they may arrange for a pick up by calling 673-6204 or 455-6065.
